

# Class of 1967 50<sup>th</sup> Year Reunion

Is it even possible that plans are being made for our FIFTY YEAR reunion? We hope you are able to celebrate this milestone with us....

WHEN: Saturday, June 10, 2017 from 6:30 p.m. - 11:00 p.m.

WHERE: The Legends Golf Club, 2555 Hurricane RD, Franklin, IN 46131-7120

<http://www.TheLegendsGolfClub.com/>

At the request of many, rather than a plated meal, the evening will include tempting hot and cold hor d'oeuvres and a cash bar (first drink will be included in reservation cost). This arrangement was a huge success at the last reunion, because it allowed optimal time to visit with classmates. The Legends is a beautiful venue with plenty of parking and easy access from Interstate 65. The atmosphere will be more relaxed, with both inside and outside seating (assuming the weather cooperates!). One thing that will be different, and this is important: admission will be by advanced reservation only. This is necessary to provide the chef with accurate numbers for ordering and preparing the food.

Interested in golf on Friday? The Legends Golf Club boasts immaculate course conditions, newly renovated Clubhouse and Pro Shop, as well as playability for every level of golfer. If you have an interest in joining other classmates and/or spouses for a round, contact Larry Davidson (317-893-2164) or Howdy Beeson (317-882-1666) for details.

For those interested in revisiting the halls of SHS (<http://websites.msdp.k12.IN.us/sh/>, <http://www.PerrySchools.org/>), there will be a tour on Saturday. Details will follow on time and place to meet.

Reservations: Cost per person is \$42. Carol Buckley Traut is handling receipt and confirmation of your reservation. Please mail your check or money order (payable to SHS Class Reunion) to Carol at the address shown below. All reservations must be received by May 1, 2017.

Door prizes: If you would like to donate a door prize (VISA card, gift card to a national chain restaurant, etc.) it would help in making the evening special for someone! Five years ago, we had several gifts which were made by classmates (jewelry, gift baskets, wine, art work, etc.). These were amazing and very much appreciated. Please let Elise or Susie know if we can count on you for something.

Reunion book: We will not be distributing a book this year. Not only is it a costly part of the planning, in past years books have been left behind which is wasted \$\$\$. Instead, we can make copies of the database in CD format available to those who want one. IF YOU DO NOT WANT YOUR DATA INCLUDED, LET ELISE KNOW, AND IT WILL BE DELETED BEFORE ANY COPIES ARE MADE.

Hope to see you in June!
