A Message from Our President

Dear Fellow SHS Alums,

We have wrapped another successful CardStock event in September! This year we featured 6 bands and performers - 3 electric bands and 3 acoustic acts. All were fantastic and provided some diverse music for the approximately 300 in attendance! We also brought in a new food vendor for the event - Between the Buns (Greenwood) provided us with a variety of delicious sandwiches and side items. However, the main focus has always been the fellowship with old classmates and

meeting new alums to share experiences with! Keep in the know for the 2019 CardStock by visiting our web site southportalumni.com.

And, just as we conclude CardStock, we begin working on our next event - The 2019 Southport High School Scholarship Banquet, scheduled for May 20th, 2019 at the Historic Southport Fieldhouse. We will award approximately \$68,000 in scholarships to many graduating Southport seniors. Since the Southport Scholarship Banquet's inception in 1991, the Alumni Association has handed out a grand total of just under \$900,000 in scholarships. This is a tremendous endeavor for any school, let alone a high school! But we are SOUTHPORT HIGH SCHOOL!!!

If you'd like to become a member of the Southport High School Alumni Association, please go to our web site at southportalumni.com, or contact me and I will get you signed up! We offer Annual Memberships, Life-Time Memberships, as well as Corporate Memberships. And remember, a portion of your membership fee goes toward funding the Scholarships we provide. So, *Thank You* in advance...

Best Regards,

Rich Elkins ('80)
SHSAA President

Our resident historian, David Ladd, has been searching the catacombs of SHS and found some interesting bits of history to share. In honor of Veteran's Day, we take time to honor Southport's "Gold Star Boys" – those killed in action during World War II.

The annual Coach Hathaway Running South event was a great success. There were over 900 participants and volunteers! Next year's goal is to reach our 1000 participants and volunteers. A date has yet to be finalized.

With the exception of the Officers and Flashpoint Events, 100% of the individuals working the event donated their time. The money raised will be used for teacher grants and the Coach Hathaway Scholarship.

Klopfenstein named Adviser of the Year

Southport's Journal Adviser, Mike Klopfenstein, has been honored with the IHSPA News adviser of they year.

Klopfenstein stated, "It is absolutely a great honor. You know, an adviser is only as good as his students and I've been lucky to have just the best students over the course of the years, including this year." Klopfenstein has been serving as the award-winning Journal adviser since the 04-05 school year.

On Friday, November 2nd, Historic Southport High School Fieldhouse played host to President Trump. The White House stated that the gym "was at capacity with approximately 8,500 and there were a few thousand in overflow."

SHS Celebrates "Unity Day"

In October, SHS freshman participated in Southport's first Unity Day. While the rest of the school took either the PSAT or ASVAB tests, SHS freshman were inspired to share their experiences and words of encouragement regarding bullying at school.

No Shave November

Several SHS staff members are participating in Riley Dance Marathon's "No Shave November" event. The participant with the fewest donations will have his beard shaved by students in whatever design they choose. Last year, the student body raised over 55 thousand dollars throughout the year. Their goal this year is to break 60 thousand. For more information, or to donate to a great cause, follow the link here:
