A Message from Our President, Brent Bockelman

southportalumni.com

Fellow Cardinals,

It has been a busy few months here at the association. In May, we held our annual scholarship awards banquet. The event was held in the historic Southport Fieldhouse, and nearly five hundred people were in attendance. I want to thank our many donors. Without them, there would be no scholarship program. I would also like to thank our volunteers. They put in hundreds of hours over several months to help make this event possible. Our volunteers truly embody the Cardinal Spirit.

As our scholarship work concludes for the year, we shift our attention to reunion season.
I would also like to mention some upcoming social events. Our annual golf outing is coming up on July 23rd. This is our largest fundraising event of the year. We would love to see you on the links! If you can't attend but would like to contribute, please consider becoming a sponsor. Registration details are in this letter as well. We also have our annual alumni and friends Homecoming Tailgate party set for Friday, September 6th.

If you have any interest in working with us at the association, please feel free to contact me at bbockelman@perryschools.org. We have a variety of positions available that you may find interesting and hope to get more folks involved in various capacities. Go Cards!

SOUTHPORT DRAWS VALLY MILLS FOR FIRST GAME IN ANNUAL TOURNAMENT

TWO MORE GAMES WON BY LOCAL NET TEAM

Cumberland and Whiteland Fall Before Red and White—Regulars Out.

Friday night, Jan. 12, the Whiteland quintet came to Southport to avenge a defeat administered by the local team earlier in the season, and were again defeated 25 to 17. The locals were handicapped in this game, being without the services of four of the regulars, Klein, Fishback and McLaughlin being out of the game with injuries. McLaughlin was used the second half but was not in good condition. Ryker, Spees and Murphy of the reserves were used and put up a stiff fight against the Whiteland team. Spees at center promises to make a good man either on the jump or under the basket. The first half ended 10-8 in favor of Whiteland, but with McLaughlin in at the first of the second half things soon changed and Southport soon had a lead of 9 points. Kelly of the visitors scored three field goals from long distance and kept his team in the running. The game ended 25 to 17 favor of Southport.

The first and second girls teams played in a preliminary game, the first team winning by a safe margin.

Friday night Jan. 19, the Southport teams journeyed to Cumberland to defeat the high school of that place

A practice that the Alumni Association is far too familiar with, the Alumni Association Banquet Dinner took place on May 20. A tradition with such deep history, Features reporter Harjas Kaur gave readers insight to the occasion. Several seniors were recognized, and the tradition of the SHSAA lives on. Kaur captures the energy of the night and quotes various seniors on their plans for their scholarship.

At the start of the year, SHS welcomed Principal Amy Boone. Over the course of the year, she has experienced a new world - different responsibilities, a new day-to-day schedule, etc. Features reporter Lucy Len Dim, who also wrote the story about Boone at the start of the year if you have not had the chance to read that yet, did an amazing job capturing Boone's story.

All around campus, SHS has many memorials dedicated to several people. News reporter Alyssa Cook tackled this story with such grace, interviewing people about perhaps one of the hardest things to go through in life - losing a loved one. Cook did such an amazing job telling not only the stories of the memorials, but the stories of those who the memorials are dedicated to.
